LEIGH HENRIC D. PANTUAN

Information Technology Student

PROFILE SUMMARY

Hardworking, responsible, and adaptable IT student with skills in web design, graphic design, networking, and project management. Willing to learn, work with others, and take on new challenges. Academic projects and hands-on activities have strengthened my technical and problem-solving skills, and I aim to gain more experience and grow professionally in the IT industry.

EDUCATION & CERTIFICATION

PHINMA Cagayan de Oro College | 2024–Present

- Consistent Dean's Lister | 1st Semester SY 2024–2025 to 1st Semester SY 2025–2026
